Dear Member,

Thanks for choosing the Amusement Book. This guide with the attached card and coupons empowers you to save many times what you paid for it. *It is not necessary to have the book with you to use your card.* The book can be handy to help you decide where to use your card, but only the card is necessary to receive the offers. However, you do need to have the bonus coupons with you when you use them.

Thanks again for becoming an Amusement member. Why not start using your membership today by asking someone special to dinner tonight?

Have fun and enjoy!

RULES OF USE

1. Welcome to Amusement! This book comes with an attached plastic membership card. Each time you use your card, present it to the participating merchant and the merchant will punch out the number that corresponds with their offer. (Please note that not all of the numbers on the card have been assigned. They are reserved for future additions and updates.) Be sure that the merchant punches the correct number on the card.

2. Please tip fairly by figuring the amount of your tip on the full purchase price of the meal before the discount. Every person has to decide for themselves about tipping, but we suggest this general guideline: if the service is good, tip 15%; if it is outstanding, tip 20% or more. You are already getting a great deal, so don't cheat the wait staff out of their fair tips. The #1 reason merchants discontinue participation is lack of fair tipping. Please don't wreck a good deal.

3. This card is not good for dining on Valentine's Day, Mother's Day, Father's Day, Easter, Thanksgiving Day, Christmas Eve, Christmas Day, New Year's Eve, or New Year's Day.

4. All the offers are good until December 1, 2026 (unless otherwise noted).

5. These cards cannot be used in combination with other offers, promotions, discounts, daily specials, or at banquets.

6. Please mention your membership when ordering so that your wait staff can correctly figure your bill.

7. Generally speaking, side orders, beverages, and desserts are not included unless they are priced as part of the meal.

8. To avoid disappointment, if you have any questions or doubts, ask your wait person when ordering.

9. Sorry, if your card is lost or stolen, it cannot be replaced. However, this book can be replaced (without a card) by sending \$2.00 to Amusement, P.O. Box 1000, Lolo, MT 59847.

10. Some merchants have been assigned more than one number for more than one offer. This means that you can use your card more than once at those merchants. Please note that sometimes the offers are different and sometimes they are the same. Please read each offer carefully.

How Two-For-One & Maximum Value Works

Suppose a merchant offers a two-for-one dinner with a maximum value of \$15.00 on the free meal. And suppose that person A orders a \$17.95 dinner and person B orders a \$14.95 dinner. You would pay for the \$17.95 dinner in full and the \$14.95 dinner would be complimentary.

In a second example, suppose person A orders a \$19.95 dinner and person B orders a \$17.95 dinner on the same \$15.00 maximum value offer on the free meal. Person A would pay for their \$19.95 dinner in full and since person B's dinner exceeded the maximum value limit of the offer, the difference of \$2.95 would be charged for the second dinner for a total charge of \$22.90 for both dinners.

In a third example, person A orders a \$14.95 dinner and person B orders a \$12.95 dinner. In this case, person A would pay for the \$14.95 dinner in full and the \$12.95 dinner would be complimentary.

If there is no maximum value stated, then it can be used for any item on the menu that meets the meal criteria (lunch, dinner, etc.).

Also, when three or more people are dining together, the second most expensive meal (up to the maximum value) is free.

Children's dinners are not considered when they are dining with two or more adults – the only time a child's dinner would be considered is if they were dining with one adult.

Again, if you have any questions, please feel free to ask your wait person.

3 Ways to Get Books!

You can always **call us** at 406-303-1122 or **fill out the form in the back of this book** to order your Amusement Book(s) and, as always, we offer volume discounts. We usually deliver your order within a day or two and accept a check or cash upon delivery.

Now... You can also **order on line** at our website:

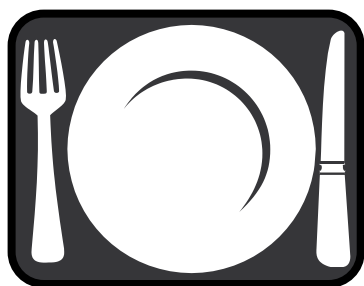

AmusementBook.com

The advantage to this is you can use a credit card. The disadvantage is you can't use cash or a check and it may take a day or two longer to get your book(s).

If you order with a credit card, delivery is included in the price. Delivery may be by an individual or, in some cases, by the post office.

If you have any questions always feel free to call us at 406-303-1122.

RULES OF USE

1. Use your Amusement card for additional savings on products and services as indicated in the following non-food section.
2. All offers good until December 1, 2026 (unless otherwise noted).
3. The card cannot be used in combination with other offers.
4. Please present your card when contracting for the goods and services.
5. To avoid any misunderstandings or if you have any questions, please ask the merchant.
6. Some merchants have more than one number. This means that you can use the card one time for each number at that merchant. Please note that some of the offers are different and some are the same.
7. As with the dining section, please check to make sure that the merchant punches out the corresponding number for the offer being used.

Send checks made payable to "Amusement"
to P.O. Box 1000, Lolo, MT 59847

Get the same prices as seen on page 84
when you order online on our website:

AmusementBook.com

If you're on the go and forgot your "Amusement Book," you can still see our offers and their corresponding card numbers on this website. This can be done with any smart phone, tablet or computer that has internet. You can also see a list of our bonus coupon offers.

Last but not least...

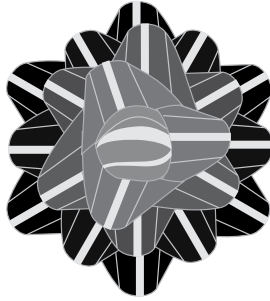

We continually try to add new offers to our book. When we get a new merchant, we will add their offer to our web page on the last day of the month (so check our website on the first day of the month). The additions will look just the same as the ads you have in your book now, with an offer and offer number at the bottom of the page.

How will you be able to use them?

Not all numbers on the back of your Amusement card have been assigned to a merchant already. Thus those "unused" numbers will be assigned to a page listed as a, b, c, instead of 1, 2, 3 so you can tell that the page is on our website and not in your book. You will be able to use the offer number indicated on the web page just by presenting your current Amusement Book card to that merchant.

This allows us to get merchants to participate for the rest of the year in our book and for you to use their offer. If the merchant likes being a participant they may very well be in the Amusement Book (printed edition) next year.

So check out our web page to be sure you are not missing an extra opportunity to save more. Go to **Amusementbook.com** on the first day of the month and you will never miss a new offer!

Having Trouble Finding a Gift for Someone?

WHY NOT BUY THEM AN
AMUSEMENT BOOK?

Unlike other gifts, they don't have to find a place to store it, it saves them money, and it has offers that they can use throughout the year. It's the gift that keeps on giving.

Great gift idea for:

Parents & Grandparents
College Students
Relatives
Gift Exchanges
Bosses & Fellow Employees
Friends
Thank You Gifts
Birthdays & Special Occasions

It's easy to ship and sure to please!

The Amusement Book: A Legacy of Savings in Western Montana

For over 30 years, the Amusement Book has proudly served the western Montana community. When we first launched, our books were priced at \$19.95, and we kept that price steady for two decades. However, around ten years ago, we realized a price adjustment was necessary, raising it to \$24.95.

Five years ago, due to inflation challenges, we had to increase the price further to our current rate of \$29.95. Despite these economic changes, we have consistently aimed to keep our prices as affordable as possible.

By increasing our sales volume, we can maintain our current pricing. If you enjoy your Amusement Book, please recommend it to friends or consider gifting one!

They'll appreciate the fantastic deals, and you'll benefit from buying the book in the future for a great price!
